

Congratulatory Speech

I would like to express my warmest congratulations on the 30th Anniversary of “K” Line Maritime Academy Phil’s. Inc. It is a privilege for me to congratulate you on your accomplishment and participate in the memorable event. This amazing accomplishment must be just a stepping stone on your journey. I believe you continue helping people achieve their development into competent seafarers who know about “K” LINE culture.

Our company provides ship management services for LNG and LCO2 carriers and the service is delivered by people on board and ashore. Developing our people is directly linked to the successful future of our company. Hence, KLMA Phil’s. is an essential partner for our business? I am truly grateful for your excellent training, education and development services, and I appreciate your continued support and cooperation.

Mabuhay! At pagpalain po kayo.
